

Dear Minag, Pam, Judy and all trinity  
Hav one you all?

I am very happy to write this letter to you. This year is my last year at STA School. I am so thankful for showing me effort for sponsoring me from prep to grade seven. I am very proud to have a sponsor who has a good heart, and helps someone in need.

In my studies, I am doing well in my all subjects. Now I am improving in mathematics for my effort. I love all topics in mathematics. The most interesting I love is measurement. In English I am doing well. In tests and writing I am very perfect. In clubs I am enjoying in Scout because we sing interesting songs.

The last thing to tell you that I would love to see your pictures. If it is possible please can you e-mail your photo.

Thank you for sponsoring me
