Staying Connected with the Re-Humanization Project

A Collect for Democracy

Gracious God, we ask you to deliver this nation from cynicism and from the erosion of trust that divides us. Help us to remain ever hopeful and to hold firm in our faith in the spirit of self-governance and the dignity of democratic representation. Continue to empower us with free and honest elections reflecting the collective wisdom and the will of the people. Touch the hearts of our leaders in the U.S. Senate and Supreme Court and grant them the insight to know the right way forward. Instill in them the courage to embrace that path and the humility to unify around their next right steps to create a truly faithful democracy. **Amen.**
